

Strategic Plan and Deployment 2023-2024

The College Management believes in setting up perspective plan for excellence in academic and infrastructural development. This is drawn in the form of long term and short-term goals in different aspects of college functioning. These perspective plans are reflected in the annual action plans. The IQAC decides the perspective plan which is to be approved in staff meetings. Keeping in mind the NAAC Peer Team 2nd Cycle recommendations, the IQAC set up the following goals which were approved by the staff council & PTA and documented as part of the AQAR

Plan of Action

- To conduct a series of programs for the teacher trainees to get them know about the significance of National and International days and provide opportunities for planning, organizing and effective execution of the activities.
- To organize Seminars and Quiz programs for the students.
- To provide orientation for our students to compete in the teacher eligibility tests like K-TET and SET exams.
- To arrange paper presentation sessions for the students to experience them the skill of academic writing and to present it.
- To arrange invited talks for the students to let them learn different perceptions of successful persons.
- In house curriculum planning for the year 2023- 24
- Preparation for NAAC visit and submitting SSR.
- To increase the number of computers in the college.
- Construction/ renovation of toilets for the ladies, gents, and differently abled.
- Utilisation of renewable energy resources like solar panels.
